Omoton C4 phone holder, phone stand (silver)

Do you want to take care of your comfort while using your phone? The Omoton C4 holder is sure to meet your expectations! This accessory allows you to freely use your phone without having to hold it in your hand. It is 270° adjustable and can be used with a wide range of devices thanks to its wide compatibility.

Tailored to suit different users

The cradle is 270° adjustable, so you can freely adjust the angle of the cradle to suit your needs, ensuring the perfect viewing angle. So you can say goodbye to tiring back and neck pain when using your smartphone! What's more, you can easily place your smartphone in both vertical and horizontal positions.

Reliable stability

The stand has been designed for maximum convenience. Thanks to its foldable design, you can easily take it with you anywhere, and the carefully thought-out construction guarantees the necessary stability. You no longer have to worry about your phone tipping over while watching videos or browsing social media. The holder also features soft silicone pads to protect your device from scratches.
