Holder, tablet stand Omoton T4 (silver)

The Omoton T4 is a universal phone stand that provides you with unparalleled convenience when using your device. The angle of inclination is adjustable and the carefully thought-out design guarantees the necessary stability. It can accommodate devices with a diagonal of up to 12.9". You can also pack it easily into your backpack or bag and take it with you wherever you go - just fold it up!

Tailor-made design

The T4 model will delight you with its carefully considered construction. The handle has been made of high quality materials that ensure high durability and also prevent your device from overheating. Special holes will make it easy for you to connect your equipment for charging, and the non-slip elements will protect it from slipping and scratching. You don't have to worry about compatibility issues either - the stand is compatible with devices with screen sizes from 5.8" to 12.9".

Tailored to you

Now you can easily adjust the holder to your requirements! The stand's clever design allows you to adjust the angle of the stand, so you can enjoy perfect screen positioning in almost any situation, without worrying about neck or shoulder pain. Whether you're browsing social media, watching movies or video conferencing, the Omoton T4 mount guarantees the maximum level of comfort!

Many possibilities

The Omoton stand is ideal for many situations! You can watch films or series comfortably and without having to hold the device in your hands for long periods of time. It can also be used for live streaming on social media or video chatting with friends. And it's perfect for the kitchen, too - the handle will allow you to browse recipes online safely and comfortably without disturbing your cooking.
