Cable USB-C to USB-C Acefast C4-03, 100W, 2m (black)

Ref: 6974316280996

USB-C to USB-C Cable Acefast C4-03, 100W, 2m (Black)

Are you looking for a reliable cable that allows you to quickly charge laptops, phones, and other small electronics? The Acefast C4-03 stands out with its 100W power delivery and support for a current of 5A. Its sturdy construction with braided sleeve makes the cable resistant to pulling, bending, and tangling, ensuring its durability over time. The C4-03 comes with multiple safety features and has been awarded various certifications, confirming its compliance with popular standards. All of this ensures the safety of your devices! The cable has a convenient length of 2m, making it ideal for home or travel use.

Fast Charging

The cable supports up to 100W power delivery, meaning it can charge a MacBook Pro battery up to 45% in just 30 minutes. In comparison, a traditional charger would only replenish the battery to 20% in the same amount of time. Additionally, the intelligent chip automatically adjusts the current to the connected devices, providing them with stable and safe charging. The cable also allows for data transfer at a speed of 480 Mbps.

Wide Compatibility

The Acefast C4-03 is a USB-C to USB-C cable, which means it offers broad compatibility with various devices and power sources. With a maximum power delivery of 100W, it works well not only with smaller electronics and phones but also seamlessly charges laptops. The
