Face Mask AirPOP Pocket 4pcs (White)

To provide you with the best possible protection, we've reinvented all filtration. We designed the mask from the ground up, focusing on efficiency, comfort and ease of breathing. What we've achieved is a breath of fresh air.

Four-layer protection

The two-layer electrostatic melt-blown nonwoven filters feature high filtration efficiency and protect against even the finest contaminants. The pre-filter layer is sandwiched between two protective top layers, so it effectively traps harmful particles that are in the air. The disposable filter blocks >98%
