

INVZI MagFree 3-in-1 inductive charger for iPhone, iWatch, A

INVZI MagFree 3-in-1 inductive charger for iPhone, iWatch, A

Ref: 602309980115

INVZI MagFree 3-in-1 inductive charger for iPhone, iWatch, AirPods (grey)

Charge up to 3 devices simultaneously and use your smartphone comfortably. The INVZI Induction Charger allows you to wirelessly charge your iPhone and AirPods, and is also equipped with a USB-C port to charge your smartwatch or tablet. The accessory is also distinguished by its high power output and adjustable height (approximately 15-34 cm). It is also MFi certified.

Practical phone stand

The charger is also ideal as a phone stand. Simply place your smartphone on it and comfortably watch videos, take notes or participate in video conferences! You can adjust the height of the accessory from around 15 cm to around 34 cm - make it easier for you to maintain the correct posture and forget about back pain. You can also rotate the stand by 180° and adjust its tilt by 180°.

Fast and secure charging for Apple devices

The accessory has been MFi-certified, which means it can not only charge your Apple devices quickly, but also safely. The charger provides up to 15W of power for the iPhone 14 / 13 / 12 series, 5W for AirPods, and 20W (PD) for other devices (connected via USB-C port). So you can conveniently charge up to 3 devices simultaneously and save time!

High-quality construction

A high-grade aluminium alloy has been used to make the charger. This makes the accessory very robust and resistant to damage - it will serve you well for many years. What's more, the product looks very stylish - its minimalist, modern design is sure to appeal to many users. The INVZI charger will not only charge your devices, but also decorate your desk!
