Case ESR Air Armor for iPhone 14 Pro Max, Magsafe (black)

ESR Air Armor case for iPhone 14 Pro Max, MagSafe (black)

The ESR Air Armor protective case is designed specifically for the iPhone 14 Pro Max. Equipped with MagSafe technology, it enables fast and convenient wireless charging and provides compatibility with many accessories. The product guarantees the safety of your phone even during the hardest drops. In addition, it is scratch-resistant, and precise cutouts allow convenient and hassle-free access to all device functions.

Reliable protection

Every effort has been made to ensure your smartphone is completely safe. ESR's sleeve is equipped with shock-absorbing edges and camera protection that provide resistance to drops, bumps and scratches. Whether your iPhone is accidentally dropped or comes into contact with hard surfaces, you can rest assured that the case effectively absorbs shocks and protects your device.

MagSafe compatibility

Thanks to powerful magnets with a force of 1,500g, the case guarantees a stable connection to all HaloLock and MagSafe compatible accessories. What's more, the ESR Product enables fast and secure wireless charging.

Aesthetic qualities

The product is made of durable acrylic, which effectively repels scratches and is not prone to yellowing. As a result, you can be sure that your case will always look like new.
