

Powerbank Baseus Blade 20000mAh 100W (black)

Ref: 6932172625474

Powerbank Baseus Blade 20000mAh 100W (black)

Powerbank Baseus Blade High Power Digital Display Quick C

The modern PowerBank is equipped with a 20000mAh battery. It features high charging power (100W) and has 4 ports - 2 USB-A ports and 2 USB-C ports. On its body there is a display that shows the level of remaining charge. The device is very lightweight and its thickness is less than 18mm, so it will be perfect for traveling. The equipment is RoHS, FCC and CE certified.

Lightweight design

You can take it with you anywhere! The device weighs just 490g - thanks to its ABS and PC finish. In addition, it is thinner than a standard laptop (18mm). It features a minimalist design and has a soft texture and comfortable grip. It has a hidden button with a length of 0.6 cm, plus it is stable and non-slip.

20,000mAh capacity

Charge your phone repeatedly with its 20000mAh capacity! The device will work well both on the go and also in case of a prolonged power outage. You will charge the battery quite quickly with the Type-C port. Save time and energy! The MacBook Pro 13 will charge up to 39% in just 30 minutes. With maximum power consumption (65W), our device will be fully charged in 90 minutes. And with a power consumption of 30W, the charging time will be 180 minutes.

Precise and efficient time management

On the front of the case, you'll find a built-in display that shows in real time: the charge level in percent and the remaining charging time. It will tell you the time it takes to charge the powerbank and the remaining operating time.

Versatility

Charge up to 4 devices at the same time and share the powerbank with family and friends. The product will allow you to charge, not only smartphones, but also tablets, laptops or speakers. It works with most popular USB-A/USB-C powered devices. BPSII technology supports fast charging, and the control chipset matches the current to the device, protecting it from damage. What's more, it has multiple protections - against overcharging, over-discharge, over-voltage, overheating or short circuit.

Safety of use

The device is durable - it is made of durable and wear-resistant materials. The powerbank has won numerous certifications and has national safety and quality standards. What's more, the NTC temperature sensor intelligently monitors the temperature of the device. Take it with you on your trip! The powerbank meets international safety standards, so you can even have it on board an airplane.

Included

powerbank

USB-C to USB-C cable

Brand

Baseus

Name

Blade Power Digital Display Fast Charging Power bank 20000mAh 100W Black

Model

PPBL000201

Color

Black

Dimensions

162 x 143 x 18mm

Weight

approximately 490g

Battery

Lithium-polymer

Capacity

5000mAh/14.8V(74Wh) 20000mAh/3.7V

Rated capacity

12000mAh (5V/3A)

Energy conversion factor

= 75%

Input connectors

Type-C 1/2: 5V/3A, 9V/3A, 12V/3A, 15V/3A, 20V/3.25A (max)

Output connectors

Type-C 1/2: 5V/3A, 9V/3A, 12V/3A, 15V/3A, 20V/5A

USB1/USB2: 4.5V/5A, 5V/4.5A, 5V/3A, 9V/3A 12V/2.5A Max

Power

Type-C1 + Type-C2: 65W + 30W , Type-C1/2 + USB1/2: 65W + 30W

Type-C1 + Type-C2 + USB1/2: 45W + 30W + 18W

Total output power

5V/9A Max

Compatibility

MacBook Pro 15/13/13", MacBook 12 , Lenovo ThinkPad E595/X1C/X270/T470/X1 Yoga, ThinkPadS3-490 14", Yoga 920-13IKB, XiaoXin pro-131ML, Dell Latitude 5300 2-in1/7300/5480, XPS 13 9300/13-9365 i5-8200Y, E7480, InSpiron 13 7378 2-in-1
