

## Outdoor Wi-Fi Camera IMOU Bullet 2E 4MP H.265

Outdoor Wi-Fi Camera IMOU Bullet 2E 4MP H.265

Ref: 6923172519177

Outdoor Wi-Fi Camera IMOU Bullet 2E 4MP H.265

The camera can record in 4MP resolution and is equipped with a 2.8 mm lens. It offers several modes of operation, so you can customize the device to your needs. It effectively detects moving objects and has a built-in microphone. Furthermore, it connects to your smartphone via Wi-Fi and sends notifications, so you can monitor what's going on around your home in real time. In addition, it has an IP67 protection class.

Several forms of saving recordings

You can save finished recordings in 2 ways. The camera is equipped with a slot for a micro SD card with a capacity of max. 256 GB. In addition, the IMOU cloud is available - from there you can play back the saved footage or open an online preview.

Take care of home security

The IMOU outdoor camera offers 4MP image quality and provides 16x zoom, so you can be sure that your recordings will be clear. What's more, the Bullet 2E quickly detects moving people and objects up to 115° - the warning light will immediately turn on, and you'll receive an alert in the app.

Built-in microphone

With the IMOU Bullet 2E, your home will be thoroughly secured. The camera records both video and audio. It is equipped with a microphone that accurately collects sound while monitoring.

#### Clear images at night

Enjoy sharp, high-quality images even at night. The camera offers several types of night mode, so you can customize the camera's operation to suit your needs. Options include: Smart Mode, Color Mode and Infrared Mode. What's more, the detection range after dark reaches 30 meters. Protect your home around the clock with IMOU.
