Ref: 6971536923559

Universal Wall Charger / AC Adapter Budi 4x USB, 5A, EU/UK/A

Budi Universal Power Charger / AC Adapter 4x USB, 5A, EU/UK/AUS/US/JP (black)

Budi's AC charger will work well at home, at work and on the go. It offers 5 different plugs and 5 USB ports, allowing you to charge up to 5 devices simultaneously. In addition, it is compatible with various types of equipment and ensures safe use. In addition, it works with a voltage range of 110-220V.

Ideal for traveling

Budi mains charger is perfect for traveling, especially abroad. Thanks to the available plugs, you don't need to take several chargers with you at the same time. What's more, it offers protection against short circuit, overvoltage, overheating, etc., so you can use it safely. In addition, it is scratch-resistant.

Allows you to charge several devices at the same time

The product is equipped with 4 plugs and 4 USB ports, allowing you to charge as many as 5 devices at the same time. Thus, it can be used by the whole family. Moreover, it is compatible with smartphones, MP3 players, tablets, smartwatches, smartbands. What's more, you can also connect devices such as a hair dryer to the charger.
