Budi universal wall charger, USB + USB-C, PD 65W + EU/UK/US/

Budi Universal Power Charger, USB + USB-C, PD 65W + EU/UK/US/AU adapters (black)

Charge your device quickly no matter where you are. The product supports PD 65W and QC 18W fast charging protocols, and the included plugs allow you to use the product abroad as well. In addition, it offers a USB-C and USB port, and thanks to its compact design, it won't take up much space.

Fast charging

You no longer have to wait indefinitely for your equipment to charge. The charger supports PD 65W and QC 18W fast charging protocols. Now you can charge your MacBook Pro 15" to 50% in about 60 min, and your iPhone 8 (or newer) to 50% in 30 min.

GaN technology

Gallium nitride was used in the production of the charger, so the product is distinguished by its compact design - it will successfully fit into a backpack or handbag. What's more, the device does not heat up so quickly, which translates into safe use.
