Ref: 6971536920633

Lightning to Aux Cable Budi Adapter iPhone M8J150LXA

Budi Lightning/AUX Adapter M8J150LXA

Budi's Lightning to AUX cable will be perfect for iPhone X, 8, 8 Plus, 7 and 7 Plus series users who want to connect their smartphone to a car stereo or headphones. The certified original chip ensures perfect compatibility with iOS 10.3/11 and later. Now you can enjoy high-end sound wherever you want! The length of the cable is 1.2 meters, and thanks to its refined design, the cable is corrosion-resistant, provides a stable signal and minimizes interference.
