Budi wireless charger dual USB input, 15W

You don't have to limit yourself anymore - the Budi wireless charger is equipped with 2 USB ports and allows you to renew energy with up to 15W of power. Thanks to its thoughtful design, the product is durable and scratch-resistant. Its performance is confirmed by Qi certification. The kit comes with a 1.2m USB-C cable.

Fast power restoration

Budi's wireless charger stands out for its power of up to 15 watts and supports fast charging protocols. The USB ports offer up to 2 A of current. All this translates into fast energy renewal. The product is widely compatible, including with the iPhone 11 / 11 Pro / 11 Pro Max / XS Max / XS / XR / X / 8 / 8 Plus.

Thoughtful design

The stylish and portable design will meet the expectations of even extremely demanding users. Thanks to its small size, you can conveniently tuck the charger into your backpack and enjoy reliable operation of your smartphone under any circumstances. What's more, the soft pad prevents scratches and slippage.
