Budi 65W charging cable 1.2m (black)

Looking for the perfect cable for yourself? Budi 230TT cable will be perfect for you! It is a solid and reliable solution for your devices. Manufactured from the highest quality materials, it guarantees durability and performance at the highest level.

Fast and convenient charging

The 230TT offers a power level of 65W, which allows you to charge various devices quickly and efficiently. Whether you need it to charge your laptop, tablet or smartphone, this cable is an excellent choice. What's more, its length is 1.2 meters, giving you enough freedom when charging your equipment.

Excellent design

The cable is made of PVC, which ensures its durability and longevity. PVC is known for its resistance to wear and tear, making it an ideal material for this type of gadget. This makes the Budi 230TT a versatile, reliable and efficient solution for charging your devices.
