Cable USB-C to USB Budi 217TT, 65W, 1.5m (black)

Ref: 6971536926345

Cable USB-C to USB Budi 217TT, 65W, 1.5m (black)

Budi 65W USB-C to USB-C cable, 1.5m (black)

Budi's 1.5-meter long cable with USB-C connectors on both ends will be perfect for any device that uses this type of connection. Made of durable materials, it features an innovative transparent design that highlights the quality of the product. In addition, the built-in LED indicator and fast charging compatibility make it a practical and effective solution for any mobile device user.

Convenient charging and data transfer

This 1.5-meter charging cable with USB-C connectors on both ends is ideal for charging, syncing and transferring data between devices. It features innovative built-in electronics, a bright LED indicator that makes it easy to find your phone. It is compatible with Power Delivery 3.0 protocol, Qualcomm Quick Charge 5.0 (2.0/3.0/4+), supports a maximum output of 65W and a bidirectional USB data transfer speed of 2.0480Mpbs. These features make the Budi cable very convenient to use.

Thoughtful design

The Budi 217TT is made of aluminum and braided nylon, making it strong and durable. Reinforcement at the end of the cable reduces the risk of damage. The transparent connection and housing make the entire circuit clearly visible, presenting full confidence in quality. This is an excellent choice for those looking for a durable type C to type C cable.
