FLOVES RFCD-8006 cordless electric shaver

The FLOVES RFCD-8006 cordless electric shaver is the perfect tool for precision cutting and styling of beards and hair. Equipped with a T-blade, it provides a smooth and precise haircut without the risk of jams or cuts. Thanks to a motor that runs at 6,500 RPM, it is extremely powerful, and the 1,200 mAh battery allows up to 180 minutes of use. Cleaning the product won't give you any trouble. The kit comes with comb attachments in different sizes and accessories for easy maintenance of the device.

Efficient clipping

The shaver is equipped with a motor that runs at an impressive 6500 RPM. As a result, the device provides efficient clipping and styling of beards and hair. Enjoy smooth and reliable trimming without unpleasant tugging or jams.

High-performance blades

Achieve satisfactory results with FLOVES. The shaver offers a stainless steel T-blade. No matter what type of beard or hair you have, you can be sure that the device will precisely and safely eliminate unwanted hair for a smooth and accurate cut.

Up to 180 minutes of use

Thanks to its powerful 1200 mAh battery, the FLOVES RFCD-8006 shaver allows you to use it for a long time. 2 hours of charging is

enough to enjoy its wireless operation for 180 minutes. The device is equipped with a USB-C port, which allows for quick energy renewal.

Practical accessories included

The kit comes with blade oil that will help keep the blades in good condition for long-lasting performance, as well as a cleaning brush to conveniently remove hair and other debris from the shaver. What's more, there will be five comb attachments in different sizes at your disposal, which will allow you to achieve the results you want, whether you want a short beard or prefer slightly longer hair.
