Wireless earphones TWS EarFun AirMini2 (black)

TWS EarFun AirMini2 headphones (black)

With the EarFun AirMini 2, you can enjoy fantastic sound quality and comfort without compromise. Equipped with 10-millimeter drivers, they deliver richly detailed, clear and natural sound. They offer up to 24 hours of music playback with a charging case, and with built-in microphones, you can stay in touch with loved ones no matter where you are. The headphones are also lightweight, compact and comfortable to wear for long periods of time.

Great sound quality

Discover a new dimension of sound with the EarFun AirMini 2. The headphones feature 10-millimeter composite drivers, which are responsible for excellent sound quality. The richness of detail, powerful and deep bass and crystal clear sound will make you fall in love with your favorite songs all over again. Whether you're a fan of rock, hip-hop or classical music, the headphones will give you an amazing sound experience!

Up to 24 hours of playback

Going on a long trip? Take the AirMini 2 with you and listen to music for as long as you want! The powerful rechargeable battery provides up to 6 hours of uninterrupted headphone use on a single charge. The set also comes with a charging case that will allow you to renew the energy of the headphones up to 3 times. This allows you to play music even all day without interruption!

Make phone calls freely

Now you can talk on the phone even in extremely crowded places! The headphones are equipped with 2 high-quality microphones that will accurately record your voice, eliminating ambient sound. This way you can be sure that your callers will hear all the important information you have to share with them.

With game lovers in mind

Are you ready for unforgettable adventures? EarFun AirMini 2 headphones will let you immerse yourself in a virtual world! They offer a special mode designed with gamers in mind, which provides a low latency of 100 ms. As a result, you can enjoy perfect synchronization of sound and image. Now you can easily hear the steps of your creeping opponent and achieve another victory in the game!

Lightweight and compact

EarFun AirMini 2 headphones are great for everyday use! All thanks to the small and lightweight design of the headphones - one headphone weighs just 3.8g. Thanks to the ergonomic design, you'll forget you're wearing them! The set also comes with interchangeable caps, which will allow you to adjust the headphones even better to your preferences. What's more, pairing them won't be a problem for you at all - just connect the headphones to your chosen device once, and they will pair with it automatically every time.
