

PGYTECH Camera Wrist Strap(Earth Brown)

PGYTECH Camera Wrist Strap(Earth Brown)

Ref: 6976100480049

PGYTECH Wrist Strap (Earth Brown)

The PGYTECH strap will easily attach your camera. What's more, the product was made of wear-resistant materials. You can also adjust the strap, and the microfiber finish is gentle on your skin. It stands out with a load capacity of up to 90 kg and ensures the safety of your equipment.

Durable

The strap was created from wear-resistant dyneema material, so it will last you a long time. What's more, the breathable microfiber finish absorbs water well and is gentle on your skin. In addition, the lanyard consists of 3 layers, which protects against abrasion, and has a maximum load capacity of 90 kg. So you can attach the strap to your camera without worrying about damaging your equipment.
