AOHI Desk charger 120W AOC-C006 120W, 2x USB-C, 2x USB-A (black)

Charge 4 devices simultaneously. The AOHI 120W offers 2 USB-C ports and 2 USB-A ports, and supports fast charging protocols. What's more, the use of gallium nitride translates into a smaller charger design, and a number of safety features ensure safe use.

Instantly renews the energy of your devices

The AOHI charger is equipped with 4 output ports, so you can charge several devices simultaneously. The device uses 120 watts of max power, which it adjusts to the connected equipment, ensuring fast charging. What's more, the USB-C ports allow you to charge 2 laptops with a PD of 100 watts. On the other hand, when using a single port, it will take just 30 minutes to charge a 16" MacBook Pro to 45%.

GaN technology

The product features a handy and lightweight design - it's 40% smaller than 96W chargers. You can easily pack it in your backpack or purse and take it on vacation, to college or to work. The use of gallium nitride made it possible to reduce the weight and dimensions of the product. In addition, the charger is distinguished by fast heat dissipation, so you don't have to worry about damaging it.

Wide compatibility

AOHI charger allows you to quickly charge most devices from brands such as Samsung, Apple, LG, Sony, and Google. With its help you

will renew the energy of your smartphone, tablet, laptop, speaker, Nintendo Switch console, etc.
