Car charger JOYROOM JR-CL05 72W (black)

Ref: 6941237153173

JOYROOM JR-CL05 72W car charger (black)

Transform your car's cigarette lighter socket into a power center with the JOYROOM JR-CL05 charger. It offers up to 5 USB ports - 3 in the front and 2 for rear-seat passengers, allowing you to charge multiple devices at the same time with a maximum power output of 72W. Equipped with a 1.5-meter cable, it allows you to conveniently use all your equipment while charging. Robust construction, modern technology and a range of safety features make the JR-CL05 meet all safety standards. Bet on proven solutions from Joyroom!

5 charging ports

Going on vacation with your family? With the Joyroom JR-CL05 charger, all passengers will be able to use their devices without charging interruptions! The product offers fast charging ports - 2 x USB QC 3.0 and USB-C PD 3.0 on the front, and 2 ports on the back - USB-C PD 3.0 and USB QC 3.0. Your kids can watch cartoons without interruption, and you can use the navigation without worrying about discharging your devices.

Safety is the key

The charger is equipped with a smart chip that allows it to automatically adjust the charging current for individual devices. The JR-CL05 meets the highest safety standards, as evidenced by CE, FCC and RoHS certifications. You don't have to worry about overcurrent, overvoltage, overheating, short circuit, overcharging, etc. Your equipment is safe!

Wide compatibility

JR-CL05 will work great with a wide range of devices. With its help you can charge smartphones, iPads, tablets, power banks, controllers and consoles, sports watches, cameras and other USB-powered devices. It works with DC 12-24V power outlets, being ideal for drivers of cars, SUVs, trucks, etc.
