Ref: 6932112102010

Choetech PD5008 travel power charger, 3xUSB-A, 1xUSB-C, GaN, 30W (black)

Choetech PD5008 power charger is perfect for traveling. It offers 4 different connectors, so you can use it in more than 200 countries around the world. What's more, it's equipped with 3 USB-A ports and a USB-C port, allowing you to charge several devices simultaneously. In addition, a number of safety features protect your equipment from damage.

Fast, convenient charging

Going on vacation or perhaps on a business trip? Take the Choetech PD5008 with you! The charger uses 30W max power and 3 USB-A ports and a USB-C port, so you can connect several devices to it at the same time. It will successfully renew the energy of your smartphone, tablet or TWS headphones. And the US, EU, UK and AU plugs allow you to conveniently charge your equipment abroad.

Safety of use

Don't be afraid of damaging your equipment when using Choetech PD5008. The charger is equipped with a smart chip and offers protection against overheating, excessive voltage, overcharging and overcurrent. As a result, you can use it safely.
