

Glass car holder with Pump Suction Puluz for GOPRO Hero, DJI

Ref: 5905316147416

Glass car holder with Pump Suction Puluz for GOPRO Hero, DJI

Puluz mount.

The universal mount for mounting sports cameras is made of high-quality, durable materials. Thanks to the air suction technology, it holds securely and stably to the ground, ensuring the safety of the attached device. Ensure amazing shots with the ability to mount the camera in the car, on a kayak, yacht, motorcycle and much more.

Simple operation

The mount is simple to use, just apply it to a surface and pull the air with the lever. Simple installation ensures no frustration and fast response time. The unit is adjustable in two places, allowing you to set the perfect angle for the best shots from the perfect angle. The mount comes with a special pouch for convenient storage of the device.

Solid construction

The mount was created from high-quality materials, making it a reliable and durable accessory for your cameras. It can withstand a load of as much as 5 kg, and thanks to its rubber trim, it provides extra protection for your equipment from drops or scratches. Universal mounting ensures wide compatibility, and since it is lightweight and portable, you can take it with you almost anywhere.
