Ref: 6973687246662

Dudao L22T 120W 1m USB to USB-C cable (grey)

If you're looking for the perfect charging cable that not only provides fast and efficient power transmission, but also offers durability and style, this solution is the perfect choice. The USB to USB-C cable from Dudao, which stands out not only for its powerful performance, but also for its thoughtful design. Made of the highest quality materials, it is not only functional, but also durable and aesthetically pleasing, so it will meet the expectations of even the most demanding!

High power

The L22T USB to USB-C cable is distinguished by a maximum power of up to 120 watts. What's more, it not only allows you to charge your devices quickly and efficiently, but also guarantees stability and safety during the entire process. Thanks to this high power, the cable is perfectly suited for charging a wide range of devices, from smartphones to laptops.

Thoughtful design

The Dudao charging cable combines functionality and style thanks to its thoughtful design. The optimal length of 1 meter provides flexibility and convenience in use, whether at home or on the go. The connector material made of TPE not only adds aesthetic appeal, but also ensures its durability and resistance to wear and tear. Thanks to these features, you can be sure that the cable will serve you for a long time, offering reliability and high quality workmanship.
