Earphones Soundpeats Air 4 Lite (black)

Conduct phone calls in noisy environments without interference. The headphones use AI noise-canceling microphones, so you can be sure your caller will hear you. In addition, the LDAC audio codec ensures high-quality, noise-free sound, and Bluetooth 5.3 guarantees lower power consumption and low latency. What's more, the long-lasting battery offers up to 30 h of use, and the included USB-A to USB-C cable allows you to get your headphones ready for further use.

Impressive sound

The headphones deliver high-quality sound, full of detail and bass tones, so you can rediscover your favorite songs. What's more, the LDAC audio codec guarantees lossless signal transmission, certified by HiRes. With Soundpeats Air 4 Lite, you'll immerse yourself in a world of music!

Reliable Bluetooth 5.3 connection

Enjoy even faster signal transmission! The headphones connect to your device via Bluetooth version 5.3, which translates into a wide signal range, stable connection, low latency and lower power consumption. So you can listen to music, play games and watch movies without interruption. Moreover, it is possible to pair the headphones simultaneously with 2 devices and conveniently switch between them.

AI noise reduction

Ambient noise prevents you from talking freely on the phone? Soundpeats Air 4 Lite headphones will help you change that! They offer 6 built-in microphones with AI noise cancellation. So you can carry on conversations on the phone no matter where you are. What's more, in addition to touch panels, the Air 4 Lite also supports voice control, for an even better user experience.

Up to 30 h of playback

Don't be afraid of suddenly discharged headphones! Soundpeats Air 4 Lite are equipped with a light indicator that will inform you of the battery level with the appropriate color. This way you will renew its energy in time. On a single charge the headphones play about 7 h, and with the charging case - up to 30 h. The included USB-A to USB-C cable will facilitate the charging of the product.
