

Grip Polarpro LiteChaser for Iphone 12 Pro Max Pro

Grip Polarpro LiteChaser for Iphone 12 Pro Max Pro

Ref: 817465026458

LiteChaser Polarpro grip for iPhone 12 Pro Max - functionality

The eight different positions of the LiteChaser Pro series grip provide convenience when recording video. For example, the accessory can be mounted on the front, which gives you the opportunity to film yourself with the iPhone 12 Pro Max. You can also activate the self-timer function on your smartphone and take photos without using a tripod. With PolarPro's mount, it's also easier to shoot videos and photos vertically. This product fits the iPhone 12 Pro Max.

Additional capabilities

There are 1/4"-20 threads on the top and bottom of the mount, use them to get additional options when shooting. The lower thread can be used to mount a tripod, for example, and the higher thread will allow you to attach a microphone or Bluetooth shutter.
