Ref: 6975606870484

Tronsmart T2 Mini 2023 Black (Black) Bluetooth Wireless Speaker

Want to experience an unforgettable music experience? Opt for the Tronsmart T2 Mini 2023 wireless speaker! It provides up to 18 hours of playback, and thanks to its IPX7 waterproof rating, you can use it in the rain without worry. What's more, thanks to its compact size (175 × 50 × 67 mm), you'll be able to always have it at hand and take it on any trip!

Lose yourself in the music

With the Tronsmart speaker, you will completely lose yourself in music. It uses the SBC audio codec, which contributes to its versatility and low latency. Equipped with 2 drivers, it will provide you with enhanced bass. What's more, you also have the option of dual speaker pairing, so you can provide even better stereo sound. Experience your beloved tunes all over again!

Various playback modes

What, sets the Tronsmart speaker apart is the ability to play music in different ways, so you can choose the best one for you! Bluetooth 5.3 technology will free you from cables and provide stable transmission up to 15 meters. If you prefer traditional solutions, bet on an Aux connection or using a TF/Micro SD card. Listening to music has never been so comfortable!

Thoughtful design

The Tronsmart T2 mini 2023 was created with comfort in mind, which is why it features a thoughtful design. It exhibits IPX7 water resistance, so you can easily use it in rainy weather. You can also take it with you on any trip, as it stands out for its compact size (175 x 50 x 67 mm), as well as its light weight of only 360 g. Is someone calling you? You no longer have to hang up the phone, as the speaker is equipped with a microphone.

#### Long operating time

Don't worry about the sudden discharge of your speaker. The Tronsmart T2 mini 2023 is equipped with a powerful battery that provides up to 18 hours of runtime! This gives you the assurance that each of your parties or gatherings with friends will be filled with your beloved music. What's more, you will renew the speaker's energy in just 3 hours! All you have to do is use the included USB-C cable to do so.
