

## Electric grill Techwood TGD-2180

Electric grill Techwood TGD-2180

Ref: 3760115719972

A world of flavors with the Techwood TGD-2180 Grill.

Immerse yourself in an unforgettable world of flavors with the Techwood TGD-2180 electric grill, which allows you to enjoy great food without unnecessary fat and excess calories. With a switch to control the temperature, this innovative grill allows you to perfectly match your cooking preferences. Whether you want to grill juicy chicken, tender vegetables or appetizing sandwiches, the TGD-2180 is ready to meet your requirements.

Taste and versatility in one

The exclusive Panini Grill is an additional feature that makes this model stand out from the rest. Thanks to the adjustable top plate, it is possible to adjust its height, allowing you to prepare even the most demanding dishes. With the possibility of 180-degree opening, the grill allows you to fry on two sides at the same time, with full evenness of flavor. In addition, the non-stick coated grill surface makes it easy to clean after preparing food.

Convenience and elegance - designed with you in mind!

Convenience and intuitive use are priorities in the design of this model. With light indicators, you can easily monitor and control the grilling process. The innovative locking system ensures safe use, while the durable stainless steel handle and decoration give the TGD-2180 grill an elegant look that will fit into any kitchen. Don't waste any more time on lengthy preparations - it's time for an
