Egg cooker Techwood TO-007

Enjoy delicious and filling meals with the Techwood TO-007 egg cooker. This practical device allows you not only to hard-boil eggs but also to fry them. It is very user-friendly and easy to clean, making it a perfect addition to any kitchen. The set also includes practical accessories such as a measuring cup and a steaming tray. Forget about unsuccessful attempts and surprise your loved ones with the perfect taste and consistency of every egg!

Cook or Fry

With the Techwood TO-007 egg cooker, you can effortlessly prepare a delicious breakfast or lunch. The device allows you to hard-boil up to 7 eggs at once. With the option of steaming, you can enjoy healthier dishes without sacrificing flavor! You can also fry a maximum of 4 eggs at a time. Choose your favorite cooking method and savor the variety of flavors!

Many Practical Features

The Techwood egg cooker is very simple to use, thanks to its convenient switch. Cleaning the device is also trouble-free and won't take up much of your time. Moreover, the brushed stainless steel finish gives the product a truly stylish appearance - it can become a decorative piece in any kitchen. The egg cooker also offers automatic shut-off and an audible signal to inform you when cooking is finished - so you don't have to worry about forgetting your eggs.
