Wireless charger 2-in-1 Choetech T323, MagSafe & MFI (grey)

Choetech T323 2-in-1 Wireless Inductive Charger, MagSafe & MFI (gray).

Choetech T323 charger is designed for Apple products such as iPhone, Apple Watch and Airpods. The charger supports charging with MagSafe and WATCH. It complies with the Apple MFI standard. Its distinctive feature is the foldable design, which protects the charger's interior, makes it easy to carry and gives it an interesting look.

## Wide compatibility

Choetech T323 charger is compatible with many models of Apple devices such as iPhone 12/13/14, Airpods 2/3 and Airpods Pro 2, or iWatch from 2 and SE series.

## Charging speed tailored to the device

For iPhones, the charging speed is a maximum of 15W, while for Airpods and iWatch it's a maximum of 3W, so you can rest assured about the charging speed and the appropriateness of the voltage to the device being charged.

## Safe charging

The charger is equipped with technology that prevents not only overcharging, but also over-voltage. In addition, the charger also works against excessive temperature. It also allows you to charge two devices simultaneously.
