

## Gaming headphones ONIKUMA K9 Pink RGB

Gaming headphones ONIKUMA K9 Pink RGB

Ref: 6972470560657

Cute headphones with cat ears.

ONIKUMA K9 headphones are an adorable pink gadget with cat ears, which will be perfect for those who love pastels, animals, fun, listening to music or playing games! The headphones feature a cute, unique design that will highlight the wonderful personality of its wearer. However, ONIKUMA K9 is not just about looks - the headphones are equipped with excellent speakers that offer clear, great quality sound to make both wearing and using the headphones a joy!

You're in complete control

The headphones from ONIKUMA K9 allow you to personalize the sound according to your preferences - you have the ability to adjust the treble, bass and midrange frequencies to immerse yourself even deeper into the world of a game or your favorite TV series. In addition, there is a panel on the headphones' cord that allows you to conveniently control the volume and turn the microphone on and off. Fantastic sound quality enclosed in a cute pink case!

Personalization possibilities

ONIKUMA K9 headphones are designed to provide you with maximum wearing comfort for a long time. Equipped with breathable cushions made of eco-leather, they not only look aesthetically pleasing and are easy to clean, but also offer a pleasant skin-friendly texture. Thanks to the adjustable headband, it is possible to adjust the size of the headphones to meet the needs of users of different ages and

head sizes. The microphone can be slipped into the headphone housing and pulled out again giving you the freedom to talk to others according to your needs. What's more, you can take off and put on the included cat ears whenever you want!

#### Not just for gaming

Are you looking for a fantastic gadget that works not only for PC, Nintendo Switch, Xbox or Playstation games, but also great for watching movies, listening to music and having conversations? ONIKUMA K9 headphones are something for you! With support for both Mini Jack and USB inputs, these headphones offer incredible flexibility, bringing joy to avid gamers, music lovers, movie buffs and those who appreciate chatting with friends online and having fun!
