The ONIKUMA B60 Headphones (black).

Created for experienced gamers and those who appreciate sleek design with illuminated elements and unparalleled comfort, the ONIKUMA B60 wireless Bluetooth headphones are a reliable companion for any gaming adventure. For optimum comfort, the headphones feature soft, eco-leather padded cushions on the headband and both earpieces that fit perfectly on your head. The quality of these headphones will make them an indispensable companion to your gaming experience, no matter the challenge.

All functions at your fingertips

Using the buttons on the headphones, you can turn them on and off, control the volume, skip between songs, resume and pause music, as well as call a voice assistant and answer calls. There's also a 3.5mm mini jack input, microphone and USB-C input on the headphone so you can use it quickly and intuitively.

Freedom of movement

Thanks to Bluetooth 5.0 connectivity, no cable restricts your movements, so you don't have to worry about pulling it out of the socket. What's more, Bluetooth works up to 10 meters, giving you the freedom to move from room to room and listen to music without interference!

Enjoy sound for a long time

The Onikuma B60 headphones are designed with demanding users in mind - for this reason, the operating time is up to 17 hours and the charging time is only 3! Play for hours with your favorite headphones! Equipped with a 40-millimeter driver with a neodymium magnet, the B60 offer rich sound including deep bass.

Comfortable to use

Long hours of use require an ergonomic lightweight design that fits the user perfectly and the use of pleasant materials - that's exactly what happened with the ONIKUMA B60 headphones! Equipped with soft cooling gel sponges on the headband and both earpieces, the B60s are the perfect choice for hours of gaming, a series marathon or listening to your favorite artist's albums! They provide excellent breathability and heat dissipation while isolating sound. What's more, both headphones can be rotated vertically by 90 degrees, as well as folded to keep you comfortable at home and on the go.

Stylish design

The innovative geometric design and glowing details will not only contribute to your mood with their style, but also become an interesting accent to your gaming set. What's more, behind this minimalist aesthetic are materials of exceptional durability to make the headphones serve you for as long as possible!
