The Tribit FlyBuds 3 BTH92SC headphones (black)

Listen to your favorite tunes in a whole new way. The BTH92SC offer crystal clear, richly detailed sound, while the lightweight and ergonomic design provides unparalleled comfort. With a charging case, they last up to 100 hr. They're also IPX7 water resistant, so they're perfect for intense workouts.

Durable batteries

Don't worry about the headphones discharging at the least opportune moment. The BTH92SC can run for about 5 h on a single charge. Meanwhile, a 2600 mAh charging case extends the operating time to up to 100 hr. You'll find a cable with a USB-C port included for easy charging. After about 3 h, the headphones will be ready to use again. The case will also serve as a powerbank and renew your smartphone's energy.

The sound quality you deserve

Take your favorite music with you on a workout, a trip to work or university, or on vacation - the BTH92SC sounds great everywhere. Featuring 6mm drivers and a dynamic EQ, the headphones offer high-quality sound rich in detail and bass tones.

Bluetooth 5.0

Tribit headphones use Bluetooth version 5.3, which translates into a fast and stable connection of up to 10 meters. In addition, they work with devices such as a smartphone, tablet or laptop. In addition, they connect to the selected equipment automatically when the case is opened.

Freedom of use

This is not the end of the advantages of the BTH92SC. The headphones are distinguished by their ergonomic design, providing long-lasting comfort without fatigue. What's more, they are IPX7 water resistant, allowing you to use them even in adverse conditions. You can also successfully take them to an intense workout.
