Extension cable Choetech XAA001 USB 3.0 2m (black)
The cable you want to use is too short? That's no longer a problem - just use the Choetech XAA001 extension cable! With its help, you can conveniently connect your phone for charging, hook up a USB drive to your TV or even transfer files between devices - the product supports the USB 3.0 standard and allows transfer speeds of up to 5 Gbps. It is also backward compatible with USB 2.0 / 1.1 / 1.0. The cable length is 2 m.

Thoughtful design
The XAA001 cable is very durable and resistant to damage - it will serve you well for many years. Its gold-plated connectors guarantee reliable, smooth operation, and its aluminum alloy housings provide it with unparalleled durability. In addition, the high-quality braided cable protects the cable from bending, breakage, interruption and more.
