

Extension cable Choetech AC0004 USB-C 3m (black)

Ref: 6971824970715

Extension cable Choetech AC0004 USB-C 3m (black)

Choetech AC0004 USB-C 3m extension cable (black)

Have you ever found yourself in a situation where the standard cable length was too short to use your devices freely? The solution to these problems is the Choetech AC0004 extension cable. Offering up to 3 meters in length and made of durable PVC material, it gives you the freedom and flexibility you need. The nickel-plated USB to USB-C connectors ensure excellent signal quality, while the maximum output of 2.4 A enables fast and efficient charging.

Certified comfort and reliability

Choetech AC0004 is CE, FCC and RoHS certified, guaranteeing its superior quality and safe use. The cable was created from durable PVC material, making it a durable and reliable solution with which you can comfortably play games or browse social media content while charging your phone.
