

Cable Mcdodo CA-2102 USB to Micro USB 1.8m (orange)

Ref: 6921002621021

Cable Mcdodo CA-2102 USB to Micro USB 1.8m (orange)

Mcdodo CA-2102 1.8m Micro USB cable.

The Mcdodo CA-2102 is a 1.8m long orange cable that features a USB-A and micro usb termination coated with 24K gold. The cable allows simultaneous charging and data transfer at 480Mbps. Fast charging is also supported, with a maximum voltage of 3A. The cable's core is enclosed in a durable braid and plastic sheath. The Mcdodo CA-2102 has semi-transparent elements that give it an interesting look and allow you to take a look at the inside of the cable.

Gold coating

The micro usb tip has been coated with a durable, oxidation-resistant layer of gold, which improves the cable's conductive properties. In addition, the color of the tip is an interesting color accent.

Charging and data transfer

Mcdodo CA-2102 allows you to both charge your micro usb tip device and transfer data at the same time, so you can save time and do two things at the same time.
