Cable USB-C to USB-C Mcdodo CA-8321 100W 90 Degree 1.2m (bla

Ref: 6921002683203

Cable USB-C to USB-C Mcdodo CA-8321 100W 90 Degree 1.2m (black)
Enjoy fast charging of your devices. The Mcdodo Firefox 90-degree USB-C to USB-C angle cable is distinguished by its power of up to 100 watts and wide compatibility. At the same time, it is extremely durable and resistant to damage. What's more, thanks to its design, it allows you to conveniently use your chosen devices while charging.

Fast charging
The Firefox cable supports fast charging with up to 100 watts of power and up to 5 amps. It also supports standards such as PD 30W, QC4.0 and Huawei FCP, for example. That means you can use it to charge a MacBook Pro in just about 1.8 hours, an iPad Pro in about 2.4 hours, a Nintendo Switch console in about 2.5 hours, a Xiaomi Mi 10 in about 57 minutes and a Huawei P40 Pro in about 90 minutes.

Comfort of use
Do you happen to use your equipment while charging? Now it will be more convenient for you! One of the cable's USB-C connectors is curved at a 90° angle, so it won't stick out or bother you. So you can comfortably work on your computer or play your smartphone while plugged in.

Improved design

This practical cable will serve you well for a long time It is equipped with gold-plated connectors that are extremely low in oxidation and wear, and is also resistant to bending, breaking and other types of damage. The Firefox model also has 5 groups of copper wires, which provide greater transmission stability and reduce heat generation.

Wide compatibility
The Firefox cable is compatible with a wide range of hardware equipped with USB-C ports. It fits MacBooks, Lenovo, Dell and HP laptops, Xiaomi and Samsung smartphones, Nintendo Switch consoles and selected iPad models, among others. What's more, the product has a smart e-marker chip that automatically adjusts the intensity of operation according to the requirements of the connected device to charge it in the shortest possible time without damaging it.
