

Toocki Charging Cable USB C-C, 1m, 100W (Black)

Ref: 6975600780260

Toocki Charging Cable USB C-C, 1m, 100W (Black)

Toocki USB-C to USB-C cable, 1m, 100W (black)

Do you care about fast charging of your devices? Toocki's proposal will certainly meet your expectations. The USB-C/USB-C cable enables power renewal with a PD of 100W and allows data transfer at 480 Mbps. It features an E-Marker chip and an easy-to-read display that provides information on charging speed.

Charging speed

Experience how fast you can charge your compatible device with the PD 100W power provided by the Toocki cable. With a current of up to 5A, you'll be able to renew the energy of most phones, laptops and powerbanks equipped with a USB-C port in no time.

Data transfer

No longer do you have to wait a long time for your selected files to be on the right device. The Toocki cable allows you to transfer photos, videos or documents at speeds of up to 480 Mbps.

Attention to detail

The easy-to-read display featured on the Toocki cable allows you to conveniently check the status and charging speed. In addition, the built-in E-Marker chip helps stabilize current and voltage, protecting your device and ensuring safe charging.

Durable construction

The Toocki cable is made of 6 strands of tin-plated copper, which translates into better conductivity and helps improve both current and transmission stability. The flexible material is resistant to bending and tangling. As a result, you can enjoy a long product life.
