

Toocki Charging Cable USB A-L, 1m, 12W (Black)

Ref: 6975600780338

Toocki Charging Cable USB A-L, 1m, 12W (Black)

Toocki USB to Lightning cable, 1m, 12W (black)

From now on, you don't have to wait long for your devices to be charged and ready to continue working. Toocki's USB/Lightning cable allows you to renew energy with a current of 2.4A and a power of up to 12W, which translates into speed and efficiency. At the same time, it is resistant to wear and tear and temperature. A smart chip ensures safe use, and an easy-to-read display provides vital charging information.

Fast and safe charging

Experience how fast you can charge your devices. The Toocki cable provides an amperage of up to 2.4 A, so it will renew the energy of your equipment in no time. What's more, a smart chip automatically adjusts the amperage to the connected device, helping to protect the battery.

Lightning-fast data transmission

Enjoy data transmission speeds of up to 480 Mbps. From now on, you can transfer files and charge your device at the same time!

Durable construction

In designing the cable, a galvanized copper core was used to reduce losses and ensure high performance, resulting in improved charging

speeds. The metallic connector is characterized by high durability, and the flexible TPE material is resistant to traces of use. In addition, thanks to the display, you can monitor the charging speed in real time.

□Manufacturer

□Toocki

□Model

□TXCL-XY01

□Type

□USB-A/Lightning

□Current

□2.4A

□Power

□12W

□Material

□aluminum alloy + TPE

□Color

□black

□Length

□1 m
