Toocki Charger A-C 33W (White)

Ref: 6975600781564

Toocki Charger A-C 33W (White)

USB power charger, USB-C Toocki, 33W (white)
Renew the power of 2 devices at the same time. The Toocki mains charger is equipped with 2 ports - USB-A and USB-C. It boasts 33W of power and supports fast charging protocols. Despite its high power, it features a compact design. It also uses GaN technology, which provides a number of benefits.

Capable of charging 2 devices
Save time and space. Toocki's charger is equipped with USB-A and USB-C ports, allowing you to renew the power of 2 compatible devices simultaneously. In addition, it is compatible with various fast charging protocols such as PD3.0, PPS, QC3.0, SCP, FCP, AFC and BC1.2. As a result, your equipment will be ready for further use in no time.

GaN technology and a range of safety features
Thanks to the use of GaN technology, the Toocki charger features a compact design, improved temperature control and enhanced charging performance. In addition, the device provides protection against overvoltage, short circuit, overheating or overcharging, among others. All for the care of your valuable equipment.

Thoughtful design
