

Toocki Charger 3C+2A Gan 140W Black

Toocki Charger 3C+2A Gan 140W Black

Ref: 6975600785036

Toocki 3xUSB-C + 2xUSB, GaN 140W charger (black)

Say goodbye to limitations, bet on Toocki's proposal and gain the ability to charge as many as 5 devices at the same time. The charger is equipped with 3 USB-C ports and 2 USB ports, and its power reaches up to 140W. The 1.5-meter extension cable provides plenty of freedom, and thanks to a range of safety features, you can renew the power of your equipment without any worries. What's more, the use of GaN technology has made it possible to increase the charger's performance while reducing its size. The set comes with a practical stand that makes it easy to keep your desk organized.

Charge 5 devices simultaneously

With 5 ports, you can charge several devices at the same time, such as a laptop, tablet, phone, game console, powerbank, small home appliances and more. The total output power of the Toocki charger is 140 watts. Don't delay, enjoy unlimited convenience and conveniently power the equipment you need.

Refined design

The use of GaN technology made it possible to reduce the size of the product and increase the charging speed. The charger intelligently adjusts the power to the connected devices, ensuring safety without compromising the battery. In addition, an easy-to-read LED display lets you know the charging status.

Practical accessories included

The kit comes with a sturdy U-shaped stand that stably supports the charger, so you can safely place it on your desk and keep it tidy. In addition, you'll gain a 1.5-meter AC extension cord, which allows you to conveniently use your devices while renewing energy. No more getting up from the comfort of your couch!

Wide compatibility

Whether you are a user of Apple, Huawei, Xiaomi, Dell or Lenovo laptops, Apple tablets, iPhones or Samsung, Huawei and Xiaomi phones, the Toocki charger is the perfect solution for you. Enjoy the full potential of your equipment today!
