

## Toocki Car Charger 2C+2A, 155W (Grey)

Toocki Car Charger 2C+2A, 155W (Grey)

Ref: 6975600780406

Toocki Car Charger 2C+2A, 155W (Grey)

Get the ability to conveniently charge your devices while driving your car. The Toocki charger is equipped with 2 USB-C ports and 2 USB-A ports, allowing you to connect up to 4 devices simultaneously. It provides up to 155 W of power and supports standards such as PD and QC3.0, meaning you can charge your phone or tablet in no time. It is also distinguished by a 1.5-meter cable, which means that rear-seat passengers can also use it without any problems.

### Fast charging

One of the charger's USB-C ports provides up to 65 watts of power, allowing you to charge smartphones, tablets and even laptops in no time. The product also supports various fast charging standards, including PD, QC3.0, SCP, FCP and AFC. No more waiting too long for your devices to be ready to use! The charger also has a built-in display that will allow you to check the charging status at any time.

### For the sake of safety

Don't worry about damaging the charger or the devices connected to it. The product is equipped with a smart chip that protects it from overheating, short circuit, overcharging and overcurrent, among other things. Forget about compatibility problems, too. The charger will be perfect for all kinds of 12-24 V vehicles - from cars to trucks.

4 available ports

Need to charge more devices? Or are you traveling with family or friends and everyone wants to plug in their phone for power? With Toocki, no one has to wait for their turn anymore! The charger offers up to 4 ports (2x USB-C, 2x USB-A), allowing you to charge up to 4 devices simultaneously. It's also equipped with a long 1.5-meter cable, so all passengers - in the front and rear seats - can easily use it.
