Toocki Car Charger 4A+1C, 105W (Grey)

Ref: 6975600780413

Toocki Car Charger 4A+1C, 105W (Grey)

Gain the convenience of charging your devices while driving. The Toocki charger is equipped with 1 USB-C port and 4 USB-A ports, allowing you to connect up to 5 devices simultaneously. It delivers a power of up to 105W and supports standards like PD and QC3.0, meaning you can quickly charge your phone or tablet with it. It also features a 1.5-meter cable, making it easily accessible to passengers in the rear seats.

Fast Charging

The USB-C port of the charger provides a power of up to 30W, allowing you to rapidly charge smartphones, tablets, and even laptops. The product also supports various fast charging standards, including PD, QC3.0, SCP, FCP, and AFC. You no longer have to wait too long for your devices to be ready to use! The charger also comes with a built-in display that lets you check the charging status at any time.

Prioritizing Safety

No need to worry about damaging the charger or the devices connected to it. The product is equipped with an intelligent chip that protects it from overheating, short-circuiting, overloading, and overcurrent. Compatibility issues are also a thing of the past. The charger works perfectly in various 12-24V vehicles, from passenger cars to trucks.

5 Available Ports

Need to charge more devices? Or perhaps you're traveling with family or friends, and everyone wants to plug in their phone? With Toocki, no one has to wait for their turn anymore! The charger offers a total of 5 ports (1x USB-C, 4x USB-A), allowing you to charge up to 5 devices simultaneously. It also comes with a long 1.5-meter cable, making it convenient for all passengers in both front and rear seats.
