

Toocki Car Charger 2A, 15W (Black)

Toocki Car Charger 2A, 15W (Black)

Ref: 6975600782585

Toocki 2xUSB, 15W car charger (black)

Don't let your phone discharge while traveling. The Toocki car charger is tailored to the needs of drivers with vehicles with voltages ranging from 12 to 24 volts. It boasts 15.5 watts of power and offers 2 USB-A ports that support a variety of fast charging protocols. A number of safety features ensure safe use, and the innovative transparent design will interest those who also appreciate the visual aspects.

Efficient charging

The Toocki car charger is equipped with 2 USB-A ports that support such fast charging protocols as QC3.0, AFC, FCP or SCP. With an impressive power output of up to 15.5 watts, you will instantly renew the energy of 2 devices at the same time. From now on, you can be sure that a discharged phone or tablet won't get in your way!

Refined design

The small size makes the charger fit perfectly into the car interior without taking up valuable space. Anti-slip springs located on both sides of the device ensure a secure and reliable connection, regardless of the conditions on the road. You can focus on driving, confident that your equipment is fully powered.

Safe use

The smart chip guarantees safe renewal of energy while driving, eliminating the risk of surges or other unwanted events. This allows you to charge your equipment without worry.
