

Toocki Car Charger A+C, 75W (Black)

Toocki Car Charger A+C, 75W (Black)

Ref: 6975600782523

Toocki USB + USB-C car charger, 75W (black)

Have peace of mind that your devices won't discharge while traveling. The Toocki car charger is equipped with 2 ports - USB-A and USB-C. Its power reaches up to 75 watts, and an easy-to-read LED display provides important information, such as voltage. A number of safety features and a flame-resistant casing increase the safety of use. The product features an original design, compact size and is compatible with 12-24V.

Quickly charge 2 your devices

The Toocki car charger features a 45W USB-C port and a 30W USB-A port, so you can connect 2 devices to it at the same time. This is perfect for those who value not only efficiency, but also reliability on the go.

LED display

The LED display allows you to monitor voltage and power in real time. This allows you to keep track of key charging parameters in real time, which translates into an even greater sense of security while driving.

For the sake of safety

The smart chip eliminates the risk of danger and effectively protects your device's battery, extending its life. Protection mechanisms

include over-current, over-voltage, over-charging, over-temperature, over-power and under-voltage protection. So you can rest assured that your equipment is completely safe while charging.

Refined design

Made of aluminum alloy, the housing effectively dissipates heat, ensuring safe charging and minimizing the risk of overheating. Its compact size saves space inside the car, while making it easy to store and carry. The device will work well in vehicles with 12-24V voltage, such as jeep, passenger car or SUV.

Wide compatibility

The Toocki car charger is widely compatible with laptops from Apple, Huawei, Xiaomi, Dell and Lenovo brands. With its help, you can also renew the energy of Apple tablets, the Switch console and its docking station, as well as Apple, Huawei, Samsung and Xiaomi phones. The possibilities are indeed many!

Manufacturer

Toocki

Model

TCCAC-HY01

Input

12-24V DC
