

Toocki Car Charger 2C+A, 80W (Black)

Toocki Car Charger 2C+A, 80W (Black)

Ref: 6975600784206

Toocki 2xUSB-C USB car charger, 80W (black)

Don't give up the ability to charge your devices, even when you're on the go. The Toocki car charger offers 80 watts of power and comes with 3 ports, including 2x USB-C and USB. With voltage support from 12 to 24 volts, it will be perfect for a variety of vehicles, and a number of safety features guarantee safe use. Also noteworthy is the product's innovative transparent design.

Fast charging of up to 3 devices

Thanks to the fact that the Toocki charger offers as many as 3 ports, you can renew the energy of 3 devices at the same time. All ports support QC fast charging protocol, and the single USB-C port with 30W output power also supports PD protocol. As a result, you'll be able to charge your equipment quickly.

An array of security features

The smart chip provides comprehensive protection, including over-current, over-voltage, under-voltage, overcharging, overheating and over-power. In addition, for the safety of your device's battery, the Toocki charger automatically initiates a back-up charge.

Thoughtful design

Difficult road conditions are no challenge for the Toocki product. Metal parts on both sides of the car charger hold it stably in the

cigarette lighter socket, ensuring smooth charging. Thanks to its compact design, carrying it is not cumbersome. In addition, it works with voltages ranging from 12 to 24 volts, so it will work well in cars, trucks, SUVs and more.

Compatible with your equipment

Conveniently charge devices equipped with USB-A or USB-C ports, such Apple laptops and tablets, Apple, Huawei, Samsung and Xiaomi phones, as well as Switch consoles and docking stations. With the Toocki charger, you'll forget what limitations are!
