Toocki USB+USB-C charger (black)

Charge your devices in much less time. The Toocki charger provides up to 33 watts of power and supports various fast charging standards. It is also equipped with 2 ports (USB-A and USB-C), allowing you to connect two devices simultaneously. The product ensures safe use and is extremely handy - you can always have it at hand.

Fast charging

Forget about the long wait until your devices are ready for use. The Toocki charger stands out with a power output of up to 33 watts and supports such fast charging standards as PD3.0/2.0, QC3.0/2.0 or PPS, for example. So you can charge your smartphone, tablet, laptop, portable game console or headphones in no time.

Charge 2 devices simultaneously

Want to charge 2 devices? No longer do you have to reach for an extra charger or wait for one device to be ready before plugging in another. Toocki's product offers up to 2 charging ports - USB-A and USB-C. So you can plug 2 devices into it at the same time and save time!

Will work well while traveling

The dimensions of the charger are only about 41 x 82.5 x 27 mm. This makes it easy to take it with you wherever you need it - for example, on vacation or to your dorm room. It won't take up too much space in your bag or backpack! What's more, the device is compatible with 100-240 V, which allows you to use it in most countries around the world without any problems.
