Toocki Charger 2C+A, GaN 100W (Grey)

Charge up to 3 devices simultaneously and save time. The Toocki wall charger is equipped with 2 USB-C ports and 1 USB-A port, and with a power output of up to 100W, it guarantees unmatched performance. Despite its high capabilities, it is very compact and easy to transport. It also ensures safe usage.

Very Fast Charging

You can quickly charge your devices in the blink of an eye using this charger. This is possible thanks to its impressive power output of 100W. You no longer have to wait too long for your equipment to be ready for action! The charger is compatible with smartphones, tablets, laptops, and portable gaming consoles, among others.

3 Devices Simultaneously

Need to charge more devices? You no longer need additional chargers for that! The Toocki product offers up to 3 charging ports - 2 USB-C ports and 1 USB-A port. You can connect up to 3 devices simultaneously. Don't wait for one device to be ready before connecting another!

Advanced Technologies

The charger utilizes enhanced GaN technology, which provides better temperature control and increases energy efficiency. Moreover, it not only allows fast charging but also safe charging. The product is additionally equipped with protection against overvoltage, short circuits, overloading, and more.

Perfect Travel Companion

An additional advantage of the charger is its compact design – its dimensions are only about 66 x 98 x 36 mm. Its transport is facilitated by the foldable plug – thanks to it, the device will take up even less space in your backpack or bag. You can easily take it with you on vacation! The product is also compatible with AC 100-240V voltage, allowing you to use it freely in most countries around the world.
