

Toocki Charging Cable USB A-C 1m 66W (Black)

Toocki Charging Cable USB A-C 1m 66W (Black)

Ref: 6975600784565

Toocki USB to USB-C Cable, 1m, 66W (Black)

Gain the ability to charge your devices faster. The Toocki USB-A to USB-C cable provides power up to 66W and current up to 6A, and also allows data transfer at speeds of up to 480 Mbps. It features a compact display and is highly durable - no need to worry about quick damage.

Fast Charging

The Toocki cable stands out with a power output of up to 66W and a current of 6A, enabling fast charging for selected devices. You no longer have to wait too long for your equipment to be ready to use! You can also check the current charging power at any time - just take a look at the built-in display.

Transfer Files in a Snap

If you find yourself transferring files between devices, the Toocki cable is an excellent choice. It allows data transfer at speeds of up to 480 Mbps, so you can quickly copy your photos, videos, or documents. You no longer have to waste time waiting!

Wide Compatibility

With the Toocki cable, you can easily charge most devices equipped with a USB-C port. The product is compatible with smartphones,

tablets, and laptops from well-known brands, among others. It will also work with power banks, desk fans, lamps, wireless speakers, and more.

Refined in Every Detail

The cable ensures not only fast but also safe charging. It is equipped with an intelligent chip that protects the batteries of connected devices from damage. The product is also very durable. The nylon braided sheath increases its resistance to bending, and the aluminum alloy connector is highly durable. In addition, the reinforced tinned copper wire provides stable and reliable transmission.
