Toocki Charging Cable USB C-L, 1m, 20W (Black)

Ref: 6976018370081

Toocki Charging Cable USB C-C, 1m, PD 100W (Grey)

The Toocki USB-C to USB-C cable allows you to rapidly charge selected devices. It supports fast 100W PD charging and is highly durable, ensuring excellent performance over an extended period. The cable also facilitates file transfer at speeds of up to 480 Mbps and stands out with its wide compatibility.

Even Faster Charging

Your phone is running low on battery, and you're pressed for time? No problem – the Toocki cable supports fast 100W PD charging. This means you won't have to wait long for your device to be ready for action! An additional advantage of the product is the built-in E-marker chip, ensuring not only fast but also safe charging.

Rapid File Transmission

The Toocki cable is also excellent for transferring files between devices. It provides a transmission speed of up to 480 Mbps, allowing you to swiftly copy all the necessary videos, documents, or photos. You no longer need to waste time waiting endlessly!

Thoughtfully Designed Construction

The cable is crafted from high-quality materials, including aluminum alloy, ensuring durability and resistance to damage. It can handle

bending and pulling without a hitch! Additionally, the reinforced tinned copper wire guarantees smooth charging and stable data transmission. The cable also features a small LED indicator that helps locate it in the dark.

Compatible with Your Devices

This cable effortlessly charges various devices from well-known manufacturers. It's compatible with smartphones, tablets, and even laptops. You can also use it to charge devices like desk lamps, fans, wireless headphones, and more.
