Toocki Charging Cable A-L, 1m, 12W (Black)

Ref: 6976018372832

Toocki Charging Cable A-L, 1m, 12W (Black)

Gain the ability to charge your iPhone faster. The Toocki USB-A to Lightning cable provides a current of up to 2.4 A, allowing you to rapidly charge selected devices. The product also enables quick file transfer, offering a transmission speed of up to 480 Mbps. It also features a built-in display and is highly durable.

### Even Shorter Charging Time

No need to wait too long for your iPhone to be ready for action. The Toocki cable provides a current of up to 2.4 A, allowing you to swiftly charge your smartphone. Additionally, the built-in display conveniently allows you to monitor charging power in real-time. Notably, the intelligent chip ensures current stability, safeguarding the batteries of connected devices from damage.

### Compatible

The cable works seamlessly with various models of iPhones and iPads. Don't worry about compatibility issues, errors, or pop-up messages - this product guarantees smooth, stable, and safe charging for your devices.

### Swift File Transfer

No longer need to waste time waiting for your files to reach their destination. The Toocki cable enables data transfer at speeds of up to

480 Mbps. You can swiftly transmit all necessary photos, documents, videos, or music tracks.

#### Enhanced Design

The cable is equipped with transparent elements made from durable PC material, giving it a stylish and modern character. The reinforced wire ensures stable charging and reliable data transmission, while the nylon braid provides effective protection against bending, breaking, and other types of damage.
