USB-A to USB-C Cable Ricomm RLS007ACW 2.1m

Ref: 6976340770184

USB-A to USB-C cable Ricomm RLS007ACW 2.1m

Equip yourself with a cable that will serve you reliably for a long time. The RLS007ACW from Ricomm is equipped with USB-A/USB-C connectors, making it widely compatible. It stands out for its resistance to bending and allows renewal of power at up to 3 A. In doing so, it protects devices from overheating. The cable length is 2.1 meters.

Fast and safe charging

No longer do you have to wait long for your device to be charged and ready to continue working. The Ricomm cable offers an amperage of up to 3 A, which translates into a fast renewal of energy. In addition, it protects connected equipment from overheating, ensuring maximum safety of use.

Wide compatibility

The Ricomm cable offers USB-A and USB-C connectors, making it extremely compatible. You will successfully connect it to devices from manufacturers such as Samsung, Google, Apple, Dell, Lenovo and Microsoft. In addition, you can use it with mains chargers, car chargers and portable power sources that feature a USB-A port.

Refined design

Endurance tests have proven that the Ricomm cable is resistant to bending. So you can be sure that it will serve you for a long time. In addition, it is pleasant to the touch and is not prone to tangling.
